

## How to Install the Demo version for Inspiration Software

Download and Install the Inspiration Perfect Embroidery Pro or My Quilt Embellisher software.

Close out of the Inspiration software. You should be on your Windows desktop.

Remove the icon for Inspiration software (My Quilt Embellisher or Perfect Embroidery Pro) from the Windows desktop by dragging the Inspiration icon with the mouse button (hold down the mouse button) and drop into the Recycle Bin.

### In Windows 7

Click the Windows Screen in the lower left.

Click the “All Programs”

Locate the Inspiration Series Folder and click to open it.

Right mouse click the My Quilt Embellisher (Demo) or Perfect Embroidery Pro (Demo) and select “Create a Shortcut” or and select Pin to Start. You are done!

Now double click that new PEP (Demo) or MBP (Demo) icon on your desktop and enjoy. All features are available except save.

### In Windows 8

Click the Windows Screen in the lower left. This will take you to the Apps area.

Click the down arrow in the bottom left area of the screen.

Locate the Inspiration Series list.

Right mouse click the My Quilt Embellisher (Demo) or Perfect Embroidery Pro (Demo) and select Pin to Start. You are done!

Go back to your desktop.

Now double click that new PEP or MQE (Demo) icon on your desktop and enjoy. All features are available except save.
